Adjournment of School Board Meetings

Any regular or special meeting may be adjourned by passing a motion to that effect, stating the date, time and place at which the meeting will be reconvened. The reconvened meeting may be similarly adjourned and reconvened as often as desired, except that no adjournment should be made to a date beyond the date of the next scheduled regular meeting.

Public notice of an adjourned meeting shall be given in the same manner as that prescribed for a special meeting. Exceptions to this rule are that no public notice is required when the adjourned meeting is to reconvene within twenty-four (24) hours of the original meeting or when an announcement of the time and place of the adjourned meeting was made at the original meeting and there is no change in the agenda.

If public notice of an adjourned regular meeting has been given, all business may be transacted which would have been proper in the meeting from which adjournment was taken, including additions to the agenda. If public notice of an adjourned regular meeting was not given, only items of business which were included in the original agenda may be transacted.
